Guests enter the suite through a spacious living area that has a blue gradient carpet inspired by the tranquil sea, which can be seen from the windows. This view can be enjoyed from the bright orange, V-shaped window sofa, which makes a cosy spot for watching the sun set over the harbour.

Soothing natural colours dominate the living room, which has a 65-inch LED TV, BOSE speakers and a Blu-ray player. Furnished with a classic Kalmar Werkstätten rosewood pendant lamp, the room's dining space has a marble dining table with seating for six and feature wall covered with Fromental silk wallpaper.

The understated oak-white wall coverings found in the living and dining area continue in the master bedroom. Another orange window sofa next to the bedroom entrance adds a bright 'pop' of colour to the room. An adjacent sofa takes in views of the city skyline and glittering harbour, and is complemented by an artistically crafted triangular coffee table.

Two bedside lamps of different heights and shapes add asymmetrical elegance to the bedroom, which has a 42-inch LED television with over 46 cable and satellite channels, and BOSE SoundLink Mini Speaker with Bluetooth connectivity. The master bedroom's spacious walk-in closet has a three-panel full-length mirror, and the dressing table is fitted with a backlit three-panel mirror.
