## AN OVERVIEW OF MANDARIN ORIENTAL, GENEVA

A living example of Swiss hotel tradition at its very best, Mandarin Oriental, Geneva has a superb location on the River Rhône, located within the heart of Geneva's shopping, historic and business districts. Unparalleled service and luxury make it the ideal choice for the discerning leisure and business traveller alike.

The hotel features 181 spacious rooms and suites, with the suites on the seventh floor all enjoying private terraces with supreme views of the River Rhône, Old Town and surrounding snow-capped mountains. The hotel's accommodation is decorated in warm earth-tones of chocolate, beige, brown and plum, with modern art accents and state-of-the-art technology.

A selection of Mandarin Junior Suites and Superior Suites on the hotel's sixth floor, including a 210 sqm Royal Suite with its own private elevator, blend contemporary design with effortless elegance and are decorated in a sophisticated palette of fuchsia and silver or in delicate tones of gold and burgundy, with Italian marble bathrooms.

In 2019, the hotel launched its newest signature suite for guests seeking the ultimate in sumptuous comfort and spectacular views. Providing 325 square metres of contemporary elegance, the [Royal Penthouse](#) is one of the largest suites in Geneva. It features a splendid 175 square-metre terrace with panoramic vistas, a master bedroom with hammam shower, two further en-suite bedrooms and a spacious living room carefully zoned into separate dining and lounge areas and with a cosy setting next to a fireplace.

Yakumanka by Gastón Acurio offers its guests the chance to explore the typical flavors and the amazing diversity of Peruvian gastronomy. The inviting and modern setting is the perfect backdrop for ceviches, tiraditos, freshly grilled anticuchos and pisco cocktails. Our talented chef, César Bellido from Lima, Gastón Acurio's right hand man prepares the best seafood specialties.
