MANDARIN ORIENTAL, HONG KONG – ROOMS & SUITES

[Mandarin Oriental, Hong Kong](#) is home to [432 oversized guestrooms and 67 suites](#), each of which has been individually furnished and decorated to embrace the hotel's Oriental heritage, while being combined with a fresh, contemporary feel to offer harmony and serenity.

Attention has been paid to even the smallest detail that makes a difference, from exquisite materials to hand-crafted finishes, creating the level of refined luxury that guests of this iconic property have come to expect.

With views of Victoria Harbour and the surrounding cityscape, each of the rooms and suites is lovingly dressed with pure linen bed sheets, a pillow menu that includes goose-down versions, and designer bathroom products by Bottega Veneta. All also have [outstanding facilities](#) that include two telephone lines, an interactive entertainment system, SMART lighting controls, DVD players, an in-room safe, wired and wireless high-speed Internet access and a personal bar. In true Mandarin Oriental style, added details that make a subtle difference are offered, from an innovative pass-through valet box to a specially created stationery kit. Binoculars and multi-lingual butlers, and even 24-hour technology butlers are also available.

None of the hotel's six signature suites is alike, with each one lovingly created to reflect a true sense of place and most offering breathtaking views over Victoria Harbour. The most striking of the collection is the Lichfield suite, dedicated to the memory of Patrick Lichfield, the esteemed photographer who was a regular guest of the hotel and the photographer behind the Group's award-winning "He's/She's a Fan" advertising campaign. The interior design for this suite, done by Nicky Haslam, pays homage to Lord Lichfield's eclectic style and celebrated life by incorporating personal mementos and framed photographs.
