MANDARIN ORIENTAL, HONG KONG – THE MANDARIN CLUB

With a stellar reputation for its legendary service and unrivalled location, [Mandarin Oriental, Hong Kong](#) is excited to introduce The Mandarin Club as one the latest additions to the hotel's impressive facilities, offering a host of exclusive privileges and bespoke services amongst a tempting range of culinary delights.

Jeffrey A Wilkes of DESIGNWILKES, who previously oversaw the hotel's renovation in 2005, has transformed the East and West function rooms into the new club lounge located on the 23rd floor. The design reflects the established narrative of the hotel, exuding an eastern identity and western heritage. The silvered oak timber panels and chevron walnut floors offer a warm, neutral palette to manifest a sense of serenity and calm. Colour accents of cinnamon and plum are featured throughout the surroundings and contemporary furnishings, along with silk lined walls decorated with hand-painted Oriental florals and bespoke tufted carpets to bring the space to life.

With over 6,200 square feet of space overlooking Statue Square Garden and the surrounding cityscape, The Mandarin Club is an exclusive private sanctuary. It features a boardroom, dining area and generous lounge space that can accommodate up to 110 guests.

Serving breakfast, afternoon tea and evening cocktails, the club lounge resembles a sophisticated modern residence that blends comfort and luxury effortlessly. It is fully equipped with state-of-the-art technology where every detail has been designed to feel like home.
