## **MANDARIN ORIENTAL, HONG KONG HONOURS YEAR OF THE ROOSTER**

Festive offers welcome local and international guests during Lunar Chinese New Year

**Hong Kong, 3 January 2017** – The Year of the Rooster promises to be exciting and memorable as the Lunar Chinese New Year is welcomed with a series of festive offerings at [Mandarin Oriental, Hong Kong](#).

### **Festivities**

In partnership with Ribbonesia, an artistic collective from Japan that uses ribbons as its main inspiration and creative medium, the entrance and lobby of Mandarin Oriental, Hong Kong will host largescale, hand-crafted designs in honour of Lunar New Year and the Rooster zodiac animal beginning 9 January 2017. Using techniques similar to ribbon origami, Ribbonesia's intricate work of twists, bends, and folds, are tangled together to shape beautiful and graceful artwork, such as the traits of the confident Rooster. To bring these delicate designs home, a variety of new year gifting ideas will be available at the Rooster Pop-Up store, with a portion of the proceeds to benefit [The Nature Conservancy](#).

Chinese New Year festivities will begin on 28 January 2017, with a traditional lion dance and an eye-dotting ceremony at the lobby which will later move through the hotel. The God of Wealth will also visit all of the hotel's restaurants, sharing lucky Lai See packets with guests. On 29 January 2017, there will be no better way to celebrate the spectacular fireworks display over Victoria Harbour than booking the exclusive *Lunar New Year Holiday* room package or dinner at the hotel's outstanding restaurants.

### **About Ribbonesia**

Baku Maeda and Toru Yoshikawa formed Ribbonesia in 2010 to create mind-blowing artwork with ribbons. The focus is on natural shapes that show the essential beauty of how elastic and tensile forces working with each other reflect the regularity and complexity of the natural world. Just as an artist would use hundreds of brush strokes, ribbon forms can also be made from a variety of twists, bends and folds. They can be simple and understated or tangled and very complicated, paintings as much as sculptures, a “property of the gods”.
