Novikov Istanbul restaurant

This spectacular ground-floor restaurant on the Bosphorus shoreline offers a fusion of Italian, Asian and Mediterranean cuisine that complements the great cosmopolitan city of Istanbul.

It is styled in the spirit of an urban oasis, creating a beautiful setting for indoor or outdoor dining with magnificent views of the Bosphorus. The venue's design, prominent with a modern and sophisticated style, embraces refined details. While natural colour palette and choice of materials create a serene and at the same time striking atmosphere, elegant decorative elements subtly consolidate a sense of luxury.

The [Novikov Istanbul](#) restaurant is casual and relaxed. Merging innovative Asian and Italian cuisines with its signature "market" concept, contemporary design and high-quality service, the restaurant will serve a thoughtfully crafted menu that offers sushi platters and a variety of other pan-Asian delicacies in addition to its Italian and Mediterranean specialities. The restaurant's style and versatile layout can comfortably accommodate couples, larger groups and private dining.

Novikov Lounge Bar

Open daily 10am to 1am, Novikov Lounge Bar is the go-to place for aperitivo in Istanbul. Its elegant and contemporary design and impressive architectural elements feature a charming courtyard garden.
