MANDARIN ORIENTAL, LAS VEGAS LAUNCHES DIGITAL WELLNESS ESCAPE

Hong Kong, 18 April 2017 – Amidst the glitz and glamour of the Strip, [Mandarin Oriental, Las Vegas](#) stands out as a true oasis of calm and relaxation. As a response to the overwhelming desire to disconnect from constant digital connectivity, the triple Forbes Five-Star hotel is delighted to introduce the [Digital Wellness Escape](#) package. Guests are invited to reconnect by letting go of digital distractions and enjoying luxury accommodations, wellness inspired meals and an escape into the hotel’s luxurious spa.

Upon check-in, guests will begin their journey with the option to participate in a Digital Silence Ceremony. The ceremony involves removing a guest’s digital device and placing it in a secure locker or inside a special “cell-phone sleeping bag”. The device can be left behind as long, or as little, as the guest would like. Himalayan salt lamps are strategically placed in-room to absorb electromagnetic fields and the already soothing setting aides in creating a calm atmosphere along with a Digital Wellness tip sheet and phone cover keepsake.

Included in the experience is a daily wellness breakfast enjoyed either in-room or at [MOzen Bistro](#). Guests are also provided with a Tian Quan Thermal Experience, an eleven-step rejuvenating journey inside the Forbes Five-Star Spa. The Tian Quan Thermal Experience is particularly beneficial in relieving stress, detoxification, relaxation, increasing blood circulation, relieving muscular pain, and opening the pores. Valid until December 29, 2017, the package starts from USD 319. Rooms are subject to availability, and terms and conditions apply.

Those looking to immerse themselves in an even greater digital wellness journey can also participate in The Spa’s *Half-Day Digital Wellness Retreats*. Taking place on May 1, June 21, and June 22, the half-day wellness programs are designed for participants to put aside their digital devices and find inner peace and calm. Activities include special yoga classes, an ‘eating for energy’ nutrition lecture, smoothie making demonstrations along with a guided meditation and lunch. The *Half-Day Digital Wellness Retreats* are priced from USD 149 per person.
