

THE SPA AT MANDARIN ORIENTAL, LONDON DEBUTS CARITA GOLD AND DIAMOND SKINCARE TREATMENTS

Hong Kong, 22 August 2016 – [Mandarin Oriental Hyde Park, London](#) has introduced treatments from premium Parisian skincare brand, CARITA, at [The Spa at Mandarin Oriental, London](#). Known as the ‘Parisian Maison de Beauté’, CARITA is offering two facials, *Precious Diamond* and *Gold Perfection*, which can be tailored to individual preferences as part of its results-driven, holistic approach to skincare at the award winning spa.

A cornerstone of CARITA treatments is CINETIC LIFT EXPERT, its exclusive high tech machine that delivers unequalled results in improving quality of skin tone, smoothness and radiance. An alternative to invasive surgery it uses breakthrough LED, ultrasound and micro-current technologies.

Alternatively, CARITA’S Rénovateur can be applied to skin to optimise benefits of the company’s hands-on treatments. Created by the prestigious Carita sisters in 1956, this subtle blend of sunflower seeds and precious essential oils refines the skin, stimulates surface cell regeneration and reveals a soft radiant complexion.

“The exceptional treatments offered at the Mandarin Oriental Hyde Park, London draw on the on-going technological progress made by our CARITA research laboratories and combine high performance with an exaltation of the senses. Delivering extraordinary efficacy and excellence of service, CARITA sits at the crossroads of spa and aesthetic medicine, meeting the highest of expectations, and we look forward to a long and successful partnership with Mandarin Oriental, said Sarah Power, Carita General Manager.

The *Precious Diamond* facial (1 hour 50 minutes, priced from GBP 220) is an exquisitely luxurious treatment that uses a fusion of plants and diamond to stimulate cell renewal and prolong the youthfulness of the skin. In addition to plumping fine lines and wrinkles, and increasing skin firmness, the treatment enhances the collagen, and lifts and sculpts the face. The rejuvenated skin is visibly firm, flawless and luminous.

The *Gold Perfection* facial (1 hour 50 minutes, priced from GBP 240) uses 24 carat mineral gold to recapture the vitality of the skin and leave it glowing. Ideal for guests of more than 40 years of age, this advanced anti-ageing treatment focuses on enhancing collagen and elastin, reducing deep fine lines and wrinkles, and clearing pigmentation and uneven skin complexion. This radiance inducing treatment leaves facial contours firmer and even-toned thanks to CARITA's bespoke anti-ageing massage techniques.
