MARCEL THOMA, GENERAL MANAGER

In September 2020, Mr Marcel Thoma was appointed General Manager of Mandarin Oriental, Marrakech. Its mission is positioning Mandarin Oriental, Marrakech as one of the Red City's leading luxury resorts and maintaining its reputation for embodying tradition, elegance and refinement.

With more than 20 years of experience in the hospitality industry, Marcel began his career in Zürich at the luxury boutique Widder Hotel followed by time with The Ritz-Carlton in Mexico and Spain. He then moved on to management roles with Rosewood Hotels & Resorts in New York, The Upper House in Hong Kong and latterly Mandarin Oriental Hotel Group corporate headquarters in the same city. Fluent in several languages, Marcel loves meeting new people – and meeting their expectations of a luxury resort.

Marcel is delighted to take up his new role at the Group's Marrakech resort. "I am honoured to join the legendary group of hotels that is Mandarin Oriental. And Marrakech is one of the most vibrant and culturally exciting destinations on the African continent. It's thrilling to play a part in offering this unique, world-class city and its culture to such sophisticated and discerning travellers."
