About the Adrienne Arsht Center for the Performing Arts of Miami-Dade County

Set in the heart of downtown Miami and designed by world-renowned architect Cesar Pelli, the Adrienne Arsht Center for the Performing Arts of Miami-Dade County is one of the world's leading performing arts organizations and venues. Since opening in 2006, the Arsht Center, a 501C3 non-profit organization, has emerged as a leader in presenting innovative programming that mirrors South Florida's diversity as well as a catalyst for billions of dollars in new development in the downtown area. Spotlighting legends and serving as a launch pad for local artists to make their mark on the international stage, the Center presents nearly 500 events each year across three state-of-the-art performance spaces. The Center programs 12 signature series, including the largest jazz series in South Florida, the biggest flamenco festival on the East Coast, and a robust program of new theatrical works as well as free programming for the community and an arts education program that serves nearly 30,000 children each year.
