THE SPA AT MANDARIN ORIENTAL, MIAMI ANNOUNCES THE FLORIDA DEBUT OF MARGARET DABBS LONDON TREATMENTS FOR THE HANDS AND FEET

Hong Kong, 15 June 2016 – [The Spa at Mandarin Oriental, Miami](#) is pleased to introduce [Margaret Dabbs London](#) treatments and products for the first time in Florida. The Spa will offer three Margaret Dabbs London pedicures, two signature manicures and a therapeutic foot bath.

Renowned podiatrist and pioneer of the ‘Medical Pedicure,’ Margaret Dabbs is known for her innovative foot and hand care products which use Australian emu oil as a key ingredient popular for its anti-aging, moisturizing and healing effects. The emu oil is complemented by a combination of tea tree oil, pumice, white water lily, wild rose, sunflower shoot, comfrey, Vitamin E and orange peel.

The *Nourishing Foot Treatment* (65 minutes, USD 120) begins with a gentle exfoliation using moisturizing ingredients such as geranium, mandarin and emu oil. Guests will then be treated to a hydrating foot bath, followed by a luxurious massage with hot stones and paraffin. The treatment concludes with a signature pedicure. The *Mandarin Oriental Signature Pedicure* (50 minutes, USD 75) offers lasting results with a gentle foot exfoliation and relaxing massage.

Ideal for the male runner or golfer, the *Deeply Nourishing Pedicure* (50 minutes, USD 75) addresses nail bed, nail length and other foot concerns. A scrub, soak and massage complete the treatment along with a paraffin dip. The Margaret Dabbs Foot Hygiene Cream is also used to treat dry feet and cracked heels. The *Foot Detox Bath* (20 minutes, USD 45) is designed to relax and rejuvenate the feet using lavender and grapefruit to eliminate everyday toxins.

The *Nourishing Hand Treatment* (50 minutes, USD 90) incorporates the full range of Margaret Dabbs hand products and includes a creamy hand and arm scrub, anti-aging serum and a hand and lower arm massage. The exclusive Margaret Dabbs crystal nail file is used for a smoother,
