FORBES FIVE-STAR RATING FOR MANDARIN ORIENTAL, MUNICH

Hong Kong, 22 February 2018 – [Mandarin Oriental, Munich](#) has become the first hotel in Germany to be awarded a Five-Star rating by *Forbes Travel Guide*.

“We are thrilled to receive this special distinction, as the first and only hotel in Germany. This internationally acclaimed Five-Star award by *Forbes* acknowledges our daily endeavor to delight our guests with excellent service and unique experiences,” states Wolfgang Greiner, General Manager at Mandarin Oriental, Munich.

According to *Forbes*, few hotels meet its exacting standards for a Five-Star ranking, which is the guide’s highest level of recognition and much coveted by operators throughout the hospitality industry.

The only independent, global rating authority for luxury hotels, restaurants and spas, the *Forbes Travel Guide* was originally published as the *Mobil Travel Guide* in 1958 and was the first to create a five-star classification system in the United States. Today, its inspectors travel the world incognito, evaluating properties based on up to 900 rigorous, objective standards.

The *Forbes Travel Guide Star Ratings*, reviews and daily travel stories help discerning travellers select the world’s best luxury hospitality and wellness experiences.
