NEW LUXURY WELLNESS PACKAGE INSPIRED BY THE SILK ROAD LAUNCHES IN PRAGUE

Hong Kong, 16 January 2023 – [Mandarin Oriental, Prague](#) is now taking bookings for its new wellness retreat inspired by the hotel’s alluring connection with the Silk Road.

The three-day [On The Silk Road Retreat](#) indulgence is designed to bring together the very best spa techniques from the East and West, offering guests a transformative journey to refresh the body, awaken the senses and inspire the soul.

The Mandarin Oriental, Prague building is a former monastery with roots dating back to the 14th century. Such history, stunning architecture and the contemporary luxury that makes [Mandarin Oriental Hotel Group](#) so charming is the perfect combination for creating a haven of tranquility.

The compelling connection with the Silk Road is based on a fantastic fact that links the ancient building with the medieval Orient. Many years ago, grains of rice were discovered during the building’s renovation suggesting the monastery was built on a side branch of the famous Silk Road – the perfect inspiration for a wellness retreat.
