MANDARIN ORIENTAL, SAN FRANCISCO INTRODUCES THE *NEW YEAR, NEW YOU* WELLNESS PACKAGE

Hong Kong, 3 December 2014 – [Mandarin Oriental, San Francisco](#) is pleased to introduce the *New Year, New You* wellness package offering guests an escape to recharge and detoxify after the indulgence of the holiday season.

The *New Year, New You* wellness package features a unique spa journey at the hotel's [Five-Star Spa](#) that will rejuvenate the body. The experience begins with the *Natura Bisse Sculpting Treatment*. Following an in-depth consultation with a spa therapist, guests will choose a sculpting program that re-contours, firms and reduces visible signs of cellulite. The treatment also includes the application of a Vitamin C body cream to keep skin soft and smooth to the touch. Guests will then be treated to *The Cure Facial* which is a thorough cleansing procedure based on cutting-edge thermoactive, enzymatic detoxification that opens and softens the pores with refreshing botanical elements. Extractions are expertly performed while the nano-stimulating mask with a deliciously foamy texture efficiently releases its moisturizing, soothing and revitalizing effects on the skin. To finish the spa journey, guests will sip on a cleansing green juice while relaxing in the Spa's Tea Lounge.

Guests will awake from a blissful night's sleep in tranquil [accommodations](#) and practice their asanas with a breathtaking view using the in-room yoga mats and instructional DVDs. For a personal touch, book a private training session to jump start healthy exercise habits and embrace the year ahead with a new focus on personal wellness.
