*Matsuri*, A hundred percent Nikkei experience combining Peruvian recipes and flavors with Japanese techniques and Chilean products, but above all, full of colors from South America. Located in Mandarin Oriental, Santiago, for years it has been one of the best rated restaurants in the country, a classic that inspired many who began in gastronomy and who today are renowned chefs who set trends in the local scene. Chef Juan Ozaki, born in Peru, arrived in Chile in early 1990s. His work also reached countries such as the United States Central America and Peru.

Today, the restaurant presents a renewed and an elegant proposal, ideal to share as a couple, with friends or in the privacy of our tatamis. Sit at the bar and discover our experience menu: “a Trip to Chile” by the hand of the Chef and his brigade.

*Senso* is our classic Italian restaurant that offers original Italian cuisine. Using only the best seasonal products, our talented team creates Italian-inspired dishes for your delight, including wonderful homemade pasta.
