MANDARIN ORIENTAL, SANYA'S SPACIOUS ROOMS AND VILLAS

Mandarin Oriental, Sanya has 278 tastefully decorated guest rooms comprising deluxe rooms, suites, villas and pavilions – each with expansive views over the South China Sea.

The overall character of the resort interior has a contemporary rustic, understated elegance that reflects a warm and luxurious approach. Many of the larger-than-average size rooms (starting at 52 sq m) feature private gardens with timber decks.

Luxurious high thread count cotton bed linen by the famous Singapore brand Ploh is used in all suites and villas, complemented by fabrics and décor featuring traditional tribal patterns indigenous to Hainan. The rooms also have Mandarin Oriental's signature technology, with complete entertainment systems, stylish espresso machines, hi-speed wireless internet access, surround-sound systems, plasma TV and digital music player docking stations.

Room categories include Terrace rooms, Ocean View rooms and Deluxe Ocean View rooms, each of which has spacious and private terraces or balconies.

The decadent Pavilion room category features Ocean Breeze pavilions and Pool pavilions. Tastefully adorned with artwork inspired by Sanya's native cultures, the spacious 52 sq m Ocean Front pavilions also have a large private outdoor area which is few steps away from the beach. Outdoor plunge pools, patios and a gazebo complete the luxurious experience.
