## **DRIVE A MINI INSPIRED BY GOODWOOD WITH MANDARIN ORIENTAL, SANYA**

**Hong Kong, 5 January 2015** – Guests staying at [Mandarin Oriental, Sanya](#) now have the unique opportunity to experience the breath-taking scenery of Sanya with a test-drive in the ultra-limited edition, MINI Inspired By Goodwood.

Developed in close-collaboration with legendary British automaker Rolls-Royce Motor Cars, only 1000 of these ultra-rare vehicles have ever been produced, making this automotive masterpiece the envy of motor collectors the world over.

Guests are invited to explore some of Sanya’s premier tourist destinations, taking in the year-long sunshine, tropical beaches and beautiful natural landscape, in their own time, all from the luxury of the vehicle.

After enjoying a memorable motoring experience, they may then choose to enjoy the secluded luxury of any of the resort’s guestrooms. Utterly private, each guestroom features richly decorated interiors, imbued with light tropical wood, soft colours and artwork from the local cultures of Hainan Island, as well as views across the resort’s tropical gardens or South China Sea. For those looking for the epitome of luxury, the two-bedroom, duplex [villas](#) provide unparalleled views across the South China Sea from the infinity pool, as well as exclusive access to the [Cliff Lounge](#), which offers complimentary breakfast, afternoon tea and evening gourmet snacks with champagne and cocktails.

Finally, whilst the adults are out enjoying the sights, for the resort’s younger fans, the team at the CoCo Kid’s Club have designed a special programme featuring MINI electric kid’s cars that will educate them about road safety, whilst allowing them to experience the thrill of driving a MINI for themselves.
