Embracing authentic Greek celebrations

Celebrate **Greek Easter** at Mandarin Oriental, Costa Navarino, where tradition, family, and joy come together in a week-long celebration. The journey begins with **Holy Week**, filled with faith, reflection, and festive activities for all ages. At the Kids Club, children can enjoy egg hunting, egg painting, and other fun surprises, while throughout the week, Oliviera offers traditional fasting dishes, "**Nistisima**," prepared with the finest local ingredients.

On Good Friday, witness the solemn "**Epitafios**" procession, a beautiful tradition that honours the sacrifices of the season.

Then, on **Holy Saturday**, partake in the uplifting Resurrection ceremony, as candles light up the night, symbolizing renewal and hope.

Easter Sunday marks the pinnacle of the celebration at Ormos Beach Club, where the day is filled with festive joy by the sea. The chef will prepare a traditional feast, including succulent lamb and a selection of delicious Greek delicacies, accompanied by live music to enhance the lively atmosphere. Share special moments with loved ones, indulging in lamb, "**Magiritsa**", "**Tsoureki**" bread, and red eggs, while creating lasting memories together.
