

Our bathroom amenities are in dispensers to eliminate single-use plastic bottles.

We offer fresh, local and organic menus that nourish the body and mind

DOING MORE FOR A SUSTAINABLE FUTURE

Mandarin Oriental, Hong Kong recognises the Sustainable Development Goals (SDGs) set by the United Nations, aiming to provide peace and prosperity for people and the planet, now and into the future.

Through these guidelines, we are committed to delivering sustainable policies and programmes to help achieve these global goals and build a better world.

Our used coffee grounds are donated to create sustainable planting pots, fertiliser and soaps

We support underprivileged communities by donating used soap to be recycled and distributed to those in need

To help reduce greenhouse gas emissions, traditional light bulbs were replaced with LED lights

Nordaq fresh water filters and *EcoSpirits* pouring system were implemented in our efforts to eliminate single-use plastic and glass bottles
