At the very heart of Hong Kong, hidden within our majestic skyscrapers and bustling streets, is a fascinating and dynamic art scene. We work with established artists and feature art year-round, including some permanent pieces in our hotel. Our Bespoke Art Walks, carefully curated and led by art connoisseurs, take you off the beaten track into the core of the city's creativity. Whether a novice or an art expert, you'll be inspired and fascinated by these inspiring and thought-provoking journeys.

## Contemporary Art in the Heart of Central

You don't have to stroll far from the hotel to tap into some of Hong Kong's most renowned galleries. Our Contemporary Art walk takes you on a journey that will uncover a wide range of contemporary art, conceptual pieces and works by celebrated and emerging voices, housed in international and local galleries, established and new. While our experts give you the space to admire and interact, they are always ready with insights into the past, present and future of the artists and their influences.

## Hidden Gems and Independent Spaces

Go off the grid to uncover some of Hong Kong's most cutting-edge art found in the city's not-for-profit spaces. At the forefront of the city's creative movements, these exhibitions offer insights into issues that inspire the lives of everyday Hong Kongers and make up the fabric of the city's local and multi-cultural communities. Starting with the incredible collection at the Asia Art Archive, you will travel to various independent spaces for curator-led tours and discussions with artists-in-residence. (A private transfer is required for this tour due to the locations of each organization.)

Our concierge team will be more than happy to assist with your booking. Please contact us at [mohkg-cc@mohg.com](mailto:mohkg-cc@mohg.com).
