MASSAGE

**ORIENTAL ESSENCE**

Using custom-blended oriental oils and techniques inspired by traditional oriental therapies, this tension-busting massage treats the whole body, whilst focusing on the traditional stress-holding areas of the back, neck and shoulders.

**AROMATHERAPY**  
1 hour or 1 hour 30 minutes  
Enjoy this therapeutic holistic treatment that combines the power of essential oils with the best of eastern and western massage techniques, to create a feeling of physical relaxation and calm, whilst mentally uplifting and clearing the mind.

**THAI**  
1 hour 30 minutes  
Performed wearing loose style clothing, this traditional Thai massage is conducted on a futon bed. A combination of gentle rocking motion, rhythmic acupressure and assisted stretching helps to deeply relax and revitalise the body and mind. This ancient treatment increases flexibility, provides relief from joint and muscle tension and balances the body’s energy.

**ORIENTAL BAMBOO**  
1 hour 30 minutes  
Using specialised massage techniques and warm bamboo sticks to knead and stretch your muscles, this full body massage increases blood circulation and eases away tension, resulting in a sense of deep relaxation.

**THERAPEUTIC**  
1 hour or 1 hour 30 minutes  
This treatment is ideal for those looking to work on deep set tension or tight, over exercised muscles. With the use of thumbs, forearms, knuckles and elbows, this massage will seek the trigger points of the muscle to help regain motion and alleviate pain.

**REVIVE ON ARRIVAL**  
1 hour 30 minutes  
Long distance travel is physically and mentally exhausting and this treatment works on both levels to help you recover from the journey and adjust to your new environment. The experience begins with an inhalation of eucalyptus to clear the airways, followed by a dry body brush to stimulate circulation. Then a series of stretching and invigorating massage techniques will be performed to realign the body, leaving you feeling revitalised and refreshed.

The dry body brush is offered as a keepsake to take home.

**LYMPHATIC DRAINAGE**  
1 hour or 1 hour 30 minutes  
The lymphatic system is key in helping rid the body of toxins that can cause illness. This treatment stimulates the lymphatic system to encourage detoxification, reduce water tension and create a feeling of healthy wellbeing.

This therapy uses delicate pressure and is not suitable for guests who prefer a traditional type of massage.
DETOX BODY REVIVER
1 hour
This treatment is perfect for skin in need of a powerful boost to promote detoxification and aid circulation. Beginning with a dry body brush, a warm application of a rosemary, grapefruit and juniper infused clay mask is applied. The dry body brush is offered as a keepsake to take home.

Bone Setting
This ancient art of healing through bone manipulation is the predecessor to modern chiropractic therapies and osteopathy. By stretching, resetting, and re-aligning, it helps to alleviate bone-related pain.

Moxibustion
A Traditional Chinese Medicine technique involving the burning of an herbal stick over acupressure points in the body, to dispel cold, promote circulation and activate points in the body.
