LI 丽丰 FENG

Enjoy exquisite culinary delicacies beautifully presented with a surprising modern twist at Li Feng, our traditional Cantonese restaurant. Partnering with Chef Fei from the Michelin-starred Jiang at Mandarin Oriental, Guangzhou, the tempting menu presents a scrumptious blend of traditional Cantonese dishes offered alongside creative contemporary renditions of classic favourites.

With interiors inspired by the history of the spices trade between China and the old colonial capital, Batavia, the restaurant offers three elegant and distinctive private dining rooms, all ideally suited to intimate gatherings and private celebrations.

lyon 

Using fresh, seasonal ingredients, Lyon offers a range of classic dishes from across France, with each dish carefully prepared according to traditional techniques. In addition to our à la carte menu we also offer a prix fixe menu created daily by our talented team of chefs.

Elegant, yet sophisticated, our décor has a simple feel with a checked floor, cane-back chairs, round tables and a subtle colour scheme of ivory and wood tones. We also offer two private dining rooms, one overlooking the lobby and the other with views of Jalan Jenderal Sudirman.

We also boast an impressive wine cellar that houses vintages from across France and around the world.

Conveniently located next to our elegant ground floor lobby, Cinnamon is a lively, contemporary restaurant offering relaxed all-day dining with an emphasis on premium Indonesian flavours and international cuisines. Not only satisfying your appetite, but providing an exciting visual treat, Cinnamon's live cooking stations and large show kitchen allow our guests to see our talented team of chefs at work.

Decorated in a chic, contemporary style, Cinnamon is a wonderful choice at any time of the day. Breakfast offers a choice of international and regional favourites, while for lunch or dinner enjoy either an à la carte menu or a decadent buffet.

The Mandarin *Cake Shop*

There's a reason our Cake Shop is famous. Every day our experienced team of talented pastry chefs concoct an array of delicious treats ranging from mouth-watering cakes to perfect scones, delicious sandwiches and decadent chocolates.

The Cake Shop is the ideal place to enjoy a quiet bite or to stay longer and savour our speciality beverages. With delicacies prepared in our show kitchen, a visit to the Cake Shop is as much about the food as it is the experience.

Alternatively, you can take your pastries away to enjoy in the comfort of your room or even order a custom-designed cake for a special occasion. Your wish is our command.

mo
BAR

One of Jakarta's most fashionable nightspots, MO Bar is home to handcrafted signature cocktails, delectable bar bites and live entertainment. Drawing a fashionable crowd, the bar offers guests an enjoyable respite at the end of a busy day. Curated by dynamic mixologist, guests can select from three signature cocktail collections; MO Signature, Twisted Classics and The Curious Bartender.

Guests are invited to relax and enjoy original cocktails or classic drinks at the sleek bar or in the sophisticated lounge where oversized armchairs and comfortable sofas provide the perfect base for the evening. Guests sat at the window facing tables will be able to gaze at the dramatic city view whilst sipping drinks and enjoying our popular resident band.

Accommodate business traveler during their hectic meeting schedule in the city.

SUSTAINABILITY

OUR COMMITMENT

Mandarin Oriental is committed to contributing to the communities in which we operate and responsibly managing our environmental impacts and social commitments. Here's how we're leading the way in sustainable luxury hospitality.

GLOBAL SUSTAINABLE TOURISM COUNCIL (GSTC) – COMMITTED

Mandarin Oriental Hotel Group has committed to implementing the GSTC Criteria, across our organisation and actively uses Greenview Portal as its sustainability management system.

ESG POLICIES

Our experience in advancing environmental sustainability over the past decades has positioned us well as one of the pioneers in sustainable luxury hospitality. In the face of mounting global societal, economic and environmental risks, we believe sustainability is central to enduring success and resilience. We have thus been actively expanding our sustainability programme to encompass a good balance of environmental, social and governance components and deepening our commitments and goals.

NATURALLY BETTER PROGRAMME

Corporate responsibility values are deeply ingrained in Mandarin Oriental's culture, and sustainability implications are carefully considered with each and every decision across the Group. One of our guiding principles at Mandarin Oriental is 'Acting with responsibility', and we have established a Naturally Better programme to direct our efforts towards the wellbeing of the planet, of communities and of individuals. Our ambitious goals include all of our hotels being plastic free, as well as expanding our responsible procurement goals to cover key categories of seafood, coffee, tea, vanilla, cocoa and cage-free eggs. You can view some of our additional projects below or explore our dedicated hotel sustainability pages to see how Mandarin Oriental is progressing towards making things Naturally Better.
