GIVE BACK & REJOICE WITH LMO

TIDINGS OF SUSTAINABILITY & JOY

The Landmark Mandarin Oriental is the place to share festive joy in a sustainable style, accompanied with a FANTastic range of wine & dine and wellness offerings.

This year, The Landmark Mandarin Oriental marks the festive season with recyclable trees decorated with reusable LED lights and hundreds of LMO bespoke festive stockings. Each velvet stocking is filled with handcrafted gingersnap cookies prepared by Cookie Smiles, a local social enterprise under the Edible Artists Global Academy Association. Its objective is to support charities through fundraising, offering training opportunities for the disadvantaged and jobs for the physically impaired.

The LMO bespoke festive stockings are available for sale at HKD288 each. All proceeds will be donated to MINDSET, Jardine Matheson Group's philanthropic initiative in support of raising awareness of mental health issues.
