

Sparkle and Glow this Festive Season

OSKIA FESTIVE GLOW FACIAL

1 hour 30 minutes

£225

Described as a non-surgical facelift, this all-encompassing signature facial uses a combination of modern and traditional glow-inducing techniques to illuminate the skin and leave face, body and mind feeling rejuvenated and skin brighter. This treatment uses specialised facial and eye contour massage techniques, lymph drainage and acupressure to lift, relax & contour the face and increase nutritional ingredient transportation deep into the skin. A head and hand release will ease tension while fragrant steam and warmed compresses gently open blocked pores. A passion fruit enzyme and AHA mask will reveal radiant skin and a highly specialised LED mask stimulates collagen production at a cellular level for improved suppleness. The ultimate radiance-boosting facial.
