Inspired by Hyde Park's gentle awakening in Spring, our Botanical Afternoon Tea captures the essence of the season's most delicate botanicals. Each ingredient mirrors the park's quiet transformation, with flavours that reflect the subtle changes in the landscape. Floral notes and refreshing herbal hints evoke the first blossoms and tender shoots of new growth, offering a balance of freshness and warmth. As you sip and savour, the experience evokes a sense of connection to nature's quiet renewal, inviting you to pause and enjoy the fleeting beauty of the season in every moment.

Our ingredients are sourced from the finest suppliers across the British Isles: Hereford beef from Sussex, fish and shellfish from Devon and Cornwall and fruits and vegetables from the gardens of Kent and Cambridge. Our other products are sourced from sustainably approved companies meaning they are socially responsible, have minimal environmental impact and are financially beneficial for everyone involved.
