

THE ROSEBERRY

The Rosebery, named after Lord Rosebery, was once a stylish tea room in the early 1920s regularly frequented by the ambitious British Prime Minister and Liberal Statesman between 1889 and 1929. Ninety years later, following an extensive renovation, The Rosebery made a welcome return to its roots as the perfect Knightsbridge backdrop for award-winning Afternoon Tea. The interior design captures the room's Victorian origins, blended with contemporary touches, and makes full use of the expansive space and height of the room and its abundance of natural light. A beautiful fireplace is a central feature, together with specially commissioned one-of-a-kind artworks.

Our ingredients are sourced from the finest suppliers across the British Isles: eggs from the Cotswolds with fruits, berries and vegetables from the gardens of Kent and Cambridge. Our other products are sourced from sustainably approved companies meaning they are socially responsible, have minimal environmental impact and are financially beneficial for everyone involved.
