MANDARIN ORIENTAL PALACE, LUZERN

Mandarin Oriental Palace, Luzern and SPA Bellefontaine are pleased to welcome you in the exclusive setting dedicated to your beauty with bespoke treatments.

With a passion for excellence and innovation, honoring the uniqueness of each client combining the tailored rituals, Bellefontaine offers an exceptional Bespoke Haute Rejuvenation experience for the SPA world. Bellefontaine products combine the most advanced bio-technological science and precious natural active ingredients, which in synergy with innovative protocols and elaborated massage techniques offer optimal and efficient results.

In order to stimulate the skin's defense system and block the release of free radicals, Bellefontaine Switzerland had created a unique and powerful complex, EDELGEN.

Composed of the Edelweiss flower extract, EDELGEN ensures an intense antioxidant action, boosts collagen and elastin production, strengthens the skin's barrier, and delays the aging process.

Because you are unique, we are at your disposal to determine your needs and expectations and to recommend the best in order to discover an exceptional and rejuvenating treatment experience.
