Designed by award-winning Milanese architect Antonio Citterio, Mandarin Oriental, Milan lies at the crossroads of the city's fashion, business and cultural districts.

Taking inspiration from 1940's interior design, the hotel recreates the ambience of a typical Milanese noble residence. The calm and homely atmosphere of the guest rooms provides a stark contrast to the pulsating and dynamic ambience of the communal areas.

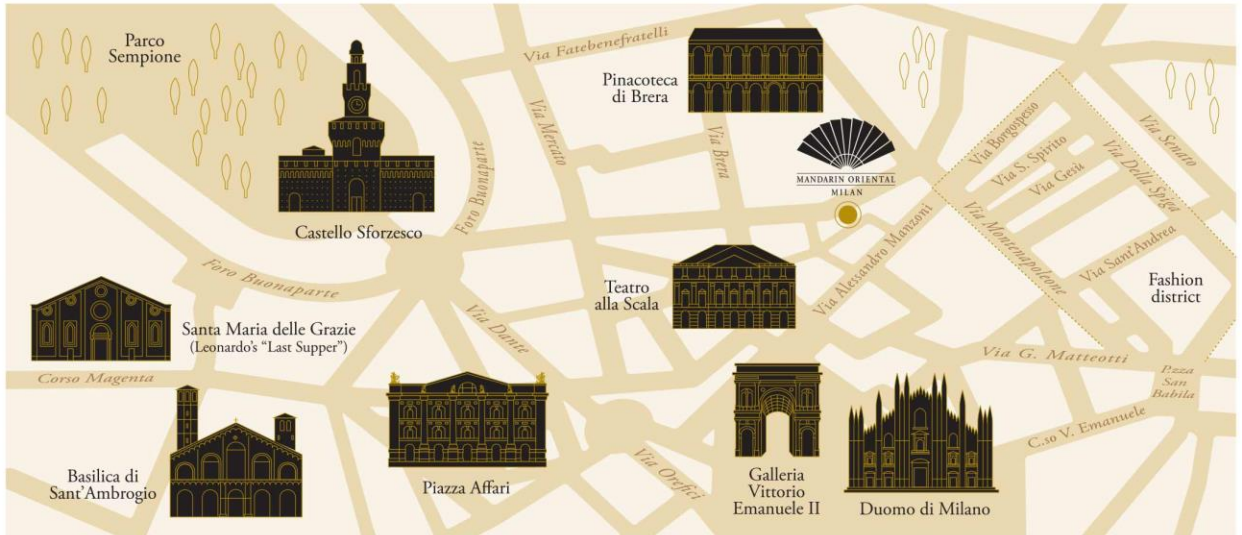

The Signature Suites were created as a tribute to renowned Italian masters of design Piero Fornasetti and Giò Ponti, while the Presidential Suite is the epitome of chic and fashionable Milanese design.

Two courtyards offer al fresco dining, with award-winning cuisine by Antonio Guida at Seta Restaurant and more casual fare at Mandarin Bar & Bistrot.

The Spa takes a holistic approach to rejuvenation and relaxation with a unique array of oriental signature treatments.
