Giving back

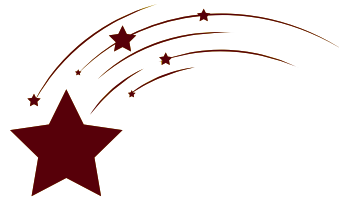

In the spirit of gifting, what is better than bringing smiles to the less fortunate in this holiday season.

In the last two years, senior citizens with very low pensions have suffered particularly from the effects of the pandemic. With the costs of energy and food now rising, their situation is getting worse. Therefore, we decided to support the LichtBlick organisation operating in the Munich area.

Donations can be made at the festive desk,
as of 28 November.

Donate and participate in an unique Christmas raffle where you can win exclusive prices from our hotel and partners around the world.

*Terms and Conditions: Minimum donation of EUR 20.
Donations are non refundable.*
