## Holiday Sips of Enchantment

Savour the season with four unique festive concoctions - two designed by Kim Jung Hoo, Head Bartender at MO BAR, Singapore, and two crafted by the talented Hidenori Fukuda, Head Bartender of B Bar, Tokyo - each flaunts clever incorporations of Christmas notes, elegantly served in Baccarat glassware. From the delicate, earthy undertones of Matcha Fiora to the warm notes of fig-infused Tropical Christmas, each cocktail beautifully captures the spirit of the holidays.
