

MID-AUTUMN
TREASURES

Celebrate Mid-Autumn Festival with a medley of traditional baked mooncakes and snow skin gems from Mandarin Oriental, Singapore.

Delight in a repertoire of snow skin mooncakes, from tea-infused creations packed with honeyed sweetness of Oriental Beauty tea or fragrant notes of earl grey, to a fruity combination of lychee and pineapple.

Each exquisitely crafted mooncake is housed within a beautiful tin, encased in elegant trio of ivory, lilac or red coloured boxes embellished with oriental floral motifs.

Shining the spotlight on traditional baked series is the signature favourite Cherry Garden Four Treasures set, featuring classic flavours and two novel creations including Low Sugar Chestnut with cashew nuts and truffle.

Perfect for gifting, Cherry Garden Two Treasures set presents newly debuted Oriental Beauty Tea with ginger red dates, alongside traditional baked Low Sugar White Lotus Paste with single yolk.
