Diamond Whitening System

Price (TWD) 6,280 (1 hour)

Expert depigmentation treatment for spot-free skin

The effectiveness of this depigmentation method is based on three pillars: renewing, depigmenting and illuminating; through these pillars, it delivers remarkably even tone and skin texture. The elevated concentrations of spot-correcting active ingredients work with great precision, right where your skin needs it, providing cumulative results and preventing the imbalances in pigmentation that age your skin. This is the ultimate answer to beauty without dark spots.

Inhibit Face Lift

Price (TWD) 6,580 (1 hour)

Inhibits. Fills. Lifts. Reforms.

Able to minimise wrinkles in an incredible way without using microinjections as well as enhancing and prolonging the results of other medi-aesthetic procedures, this advanced facial room treatment is the ideal alternative or complement to the most invasive beauty treatments.

Thanks to its powerful revitalising action and its effective filling effect, this professional lifting not only diminishes expression lines and corrects the signs of ageing, but also achieves extraordinarily firm and hydrated skin, completely rejuvenating your complexion.

The Cure

Price (TWD) 5,280 (1 hour)

Exceptional beauty cure

Effective protocol that deep-cleans and detoxifies skin while relieving stress, this meticulous cleansing protocol is based on thermoactive enzymatic detoxification. It provides heat to open and soften pores, and botanical freshness to close and purify them.

This treatment is a new concept that pampers your skin, providing an immediate state of wellbeing so that your skin can achieve maximum purity.
