

DOG DIRECTORY

enhance the stay of your best friend

Dear Guest,

We are delighted to welcome dogs to our hotel. For our four-legged guests, we kindly ask that their size be limited to a maximum shoulder height of 60 cm (for reference, a typical male German Shepherd is about 60 cm tall). There is a charge of CHF 50 per night, per room, for any dog staying with us, which also applies to day-use stays.

If you are traveling with any other type of pet, we ask that you kindly inform us prior to your arrival. Acceptance of these pets will be considered on a case-by-case basis to ensure a comfortable and safe environment for all our guests.

Please note that any damages caused by dogs will be assessed on a case-by-case basis, with the responsibility for any repairs or cleaning remaining with the pet's owner.

While dogs are most welcome throughout the hotel, they are not permitted indoors in our food and beverage outlets to ensure a pleasant dining experience for all our guests.

We thank you for your understanding and cooperation and look forward to making your stay with us truly exceptional.
