Cherry Chaplin

*is a variation of the classic Charlie Chaplin cocktail.
The sloe gin perfectly complements the cherry flavor,
while lime adds a unique, refreshing, and fruity touch.
To balance the sweetness, gentian liqueur provides
a pleasantly dry aftertaste.*

Hamami-Mami

beauty of cherry blossoms.
This slightly smoky whiskey highball is balanced
with a touch of honey and a refreshing peppered cherry soda.*

Sakura Martini

*puts a new spin on the classic martini
